The Lasallian Distinguished Educator Award

The Lasallian Distinguished Educator Award is given annually to honor the life, the educational vision, and the practices of St. John Baptist De La Salle, the namesake of the university, the founder of the Christian Brothers, and the patron saint of all teachers.

The award is given to those who exhibit in their daily lives an understanding of and a commitment to Lasallian priorities and traditions: the paramount importance of teaching in a values framework, of working in association with others to build genuine community, of putting the needs of students first, of demonstrating a true sensitivity and respect for the uniqueness of the individual student. This award recognizes those who have opened their hearts and minds to these ideals and devoted themselves to this work.

Award winners build others up and encourage the heart. By doing so, they help colleagues and students experience the university's heritage and its unique Lasallian identity. They teach by example. To paraphrase the works of St. La Salle, they, "put into practice what we want our students to believe." As a result, they impart to all in the La Salle Community the values that have animated and sustained the university. In this way, they help the university transform students and, thereby, influence the kind of people they will become.

Because **all** members of the community contribute to an environment in which we "touch the hearts of students," the Lasallian Distinguished Educator Award is open to faculty, staff and administrators.

The following previous winners are not eligible for consideration:

Brother Emery Mollenhauer
Anna Allen
Brother Gerry Molyneaux
Brother Daniel Burke
Robert Meidel
Raymond Ricci
Michael Smith
Michael Kerlin

The Distinguished Lasallian Educator Award 2007-08

The US/Toronto Region Awards: The annual Distinguished Lasallian Educator Award honors an educator who exemplifies the ideals of St. John Baptist de La Salle, Patron of Teachers. The award is sponsored by the Regional Board of Education of the Christian Brothers in the name of all Lasallians of the United States/Toronto Region. It is presented to one educator in each District of the Region, at the annual Huether Lasallian Workshop.

The Baltimore District Awards: Each year, every institution in the Baltimore District is invited to select an educator to be honored with this award. A number of institutions use an internal process involving collegial input and nomination. At their Spring 2007 meeting, the Mission Council of the Baltimore District will compile all the profiles of the Baltimore District awardees and then select one representative for the Baltimore District to be recognized at the Huether Lasallian Workshop.

Theme: This coming year, as you are aware, the Huether Conference will be held in St. Louis at the usual time. Typically, nominees reflect the theme of the Huether Conference. This year the national office informs us that the theme will be "Literacy." The idea here is that some sessions will focus on assisting faculty members with professional commitments to instruction in language and literacy. Therefore, the Regional Education Board suggests that the honorees this year might be chosen from among those whose lifetime commitment is fostering communications skills, broadly understood. Some examples would include: English teachers; Reading teachers/specialists; librarians; media specialists; ESL instructors; tutors of foreign students or those with difficulties; special educators in language or reading disorders; speech pathologists; professors of communications; SAT Prep teachers; long-time volunteer tutors; writing center Directors; speech and debate coaches; yearbook, literary magazine, and newspaper moderators; webmasters; by extension, World Language instructors and those who focus on religious or computer literacy as well.

To: The La Salle University Community

From: Ray Ricci, Vice President, Enrollment Services

The Lasallian Distinguished Educator Award is given annually to honor the men and women who have put into practice St. La Salle's vision of committing oneself to the real needs of students. Each year, Lasallian schools across the nation are invited to name honorees and in this way preserve the memory of the Founder and work of The Institute.

At this time, the Lasallian Distinguished Educator Award Review Committee, which makes recommendations to the President, invites the campus community to submit nominations for the 2006 award. I am writing on their behalf. I ask that you submit the name of anyone whom you feel meets the qualifications for this award as described on the reverse side of this letter. A statement in support of the candidate should accompany the nomination.

All faculty, staff and administrators are eligible for consideration. However, in most years, the Regional Board of Education of the Christian Brothers adopts a unifying theme for the award. This year, the theme is to honor those "whose lifetime commitment is fostering communications skills, broadly understood."

I ask that you submit your nominations to me by March 2nd either via campus mail (box 838) or via email. Should you have any questions regarding this award, please feel free to contact me or any member of the nomination committee.

Present: Anna Allen, Tonya Ellis, Dawn Fraser Wanner, Dr. Evelyn Klein, Amanda Koehler, Adam Bagni, James Rossi, Christina Lumbis

Absent: Dr. Ginger Modla, Dr. Dolores Lehr, Robert O'Brien

After a brief moment of reflection, the members of the committee introduced themselves and offered a brief explanation of their membership or reason for appointment to the committee. Ms. Allen then explained that the role of the committee is to advise the Dean of Students. She was named chair of the committee by the Dean of Students. This appointment parallels the model of having a Division of Student Affairs Leadership Team member chair many of the advisory committees.

The committee spent much of the meeting brainstorming ideas about what the work of the group ought to be for the year. Dr. Joseph Cicala, Dean of Students, in charging the group for the year, expressed that some of this work include simplifying the structure, the mission, and the procedures of the group. Ms. Allen expressed this in the meeting, and the group will take this task up beginning with the next meeting. Additionally, Ms. Ellis expressed a desire to continue as an advocate for the student media groups on campus, particularly during the times when the work of these groups comes under close, and sometimes, negative scrutiny. She expressed the value that student media groups feel when this committee can act as an objective sounding board for their concerns, as well as the concerns of the larger community. Dr. Evelyn Klein, new to the committee this year, expressed a desire to survey the La Salle community to determine its use of student media, along with soliciting opinions about how well the student media serves the University community. All of these issues will be topics for ongoing work. An additional recommendation to change the name of the committee to Student Media Committee was also made.

Finally, the committee members were asked to discuss future meeting times. There does not appear to be a uniform time that the group can meet, due to conflicting schedules. The committee was asked to submit availability times to Ms. Allen, who will then coordinate meeting times. It was agreed that the committee would alternate days or times, so that most of the committee could attend meeting "in turn." Additionally, an electronic group will be set up on in the groups section of mylasalle to facilitate information sharing and to complement the meetings of the group.

The meeting was adjourned at 3:00 p.m.

Present: Anna Allen, Tonya Ellis, Dr. Evelyn Klein, Adam Bagni, James Rossi, Michael McDonald

Absent: Dawn Fraser Wanner, Dr. Ginger Modla, Dr. Dolores Lehr, Robert O'Brien, Christina Lumbis

Today's meeting centered on two main topics:

1) Setting up the electronic site for information sharing in the newly formed mylasalle group named Student Press Committee.

Several members hadn't yet signed up for membership, so time was taken to allow them to do so during the meeting. It was explained again that finding common meeting times for the group seemed problematic. The electronic site will allow for continued conversations outside of the meetings to further the main objectives of the group. Members who are not signed up after today's meeting will be contacted directly by Ms. Allen.

2) The group brainstormed categories and questions to be submitted to Student Voice in the event that surveying several student media organizations can be done in conjunction with the already approved survey being developed on behalf of The Explorer yearbook.

Dr. Klein, as a research and statistical faculty member in the School of Nursing and Health Sciences, led the group in developing points of interest and specific questions to submit to the company that is facilitating the survey. She also volunteered to do further analysis on the data, if it is available from Student Voice, once their contracted analysis is complete. Ms. Allen will follow up with the company and report back to this committee.

Mr. Bagni will check about the current status of *Notes From the Underground* as a student publication, and Ms. Allen will investigate *The Histories*, after which a current listing of all student media efforts will be kept current by this committee.

The members were encouraged to review the current mission statement and procedures as currently set, and to suggest revisions via the mylasalle group for simplification and parallel structure to other Student Affairs advisory committees.

The next meeting is scheduled for December 6 at 10:00 a.m. in Union 123.

The meeting was adjourned at 3:00 p.m.

Absent: Dr. Dolores Lehr, Robert O'Brien, Michael McDonald

Excused: Dr. Evelyn Klein

The meeting was conducted in a slightly condensed fashion, given the stresses of finals week for the student participants and for some of the faculty. The following were discussed:

1. Ms. Allen would reach out to Dr. Lehr about her ability to continue on the Student Press Committee, given her other obligations for this academic year.
2. The members of the committee were encouraged to submit their available times for next semester's meetings, given that schedules change each semester.
3. The committee members were encouraged to utilize the mylasalle groups function to communicate ideas about mission and statement of purpose for the group. Additionally, members were encouraged to respond to the Student Voice draft of a survey centered on assessing student media on campus.
4. Mr. Bagni reported that *Notes From the Underground*, currently listed as a student publication, never did produce any work. Dr. Stephen Smith had been approached as a potential advisor, but the student group did not function. It was recommended that the listing be removed from active groups.
5. Ms. Allen reported that *The Histories* still does publish, although not each semester.

The next meeting will be scheduled early in the semester, following receipt of members' class schedules.

The meeting was adjourned at 10:40 a.m.
